

# New Secret in Jujitsu

## Makes You Master of Men

**A score of Secret Grips never before published now clearly revealed by Capt. Smith.**

You are more than able to take care of yourself if you know Jujitsu. In any emergency you become a pantherlike fighting machine that is best left alone.

If you are strong you are able to use your strength to better advantage.

If you are weak physically you may overcome a giant who knows how to use his muscles only as a brute.

A woman equipped with this science is no longer at the mercy of a ruffian or bully, but is able to defend herself effectively and is able to retain her presence of mind.

Jujitsu teaches you how to utilize 100 per cent of your strength and put your opponent in such a position that he can only use 20 per cent of his strength. It teaches you how to throw and handle stronger men than yourself with ease. Whether your opponents are armed with gun, club or knife, they are helpless against your science.

Japanese teachers do not give the underlying secret of Jujitsu when explaining a throw or trick. They teach the use of arms, legs, hips, and shoulders, but do not reveal the basis of the whole science. It is therefore an average of ten years before a student of Jujitsu masters the science. Jujitsu is not done with the strength of the arm and leg, and it is because of the failure to grasp the underlying principle that it takes so long to master the art.

### Reveals the Secrets of Jujitsu

"The Secrets of Jujitsu," written by Captain Allan C. Smith, U. S. A., chief instructor of Jujitsu in the United States Army today, reveals for the first time the underlying secrets of this remarkable science. Thousands of white men have tried to learn the art of Jujitsu, but Captain Smith has the reputation in Japan of being the only foreigner to really master its mysteries. In 1916 he won the "Black Belt"—a mark of great distinction and unassailable evidence of his supreme skill. He is the only citizen of the United States with the right to wear it. Thus the elusive secrets which Captain Smith discovered only after ten years of constant effort in Japan are imparted to you during your first ten minutes' study of his course.

Any man, woman, or child can easily and quickly become expert in Jujitsu by this new method. All the holds, breaks, throws, defenses, blows, tricks, and secret death holds are explained and fully illus-

trated in this wonderful new course. Yet the course is taught in such a manner that two people practising together run no risk of injuring themselves.

### 253 Photographs

"The Secrets of Jujitsu" consists of 59 lessons profusely illustrated by 253 photographs contained in seven interesting books. It is the most recent and the most complete and authoritative course on Jujitsu ever published in this country. Each trick is illustrated by several actual photographs and these are so clear that any one can do the trick after seeing them. The photos are right on the same page so that the eye learns from the illustrations just what to do and how to do it. This makes it all amazingly simple and easy.

Captain Smith gives you right at the start the boiled down, crystallized secret which you will agree is in itself worth more than the small sum asked for the entire Course. The publishers of this illustrated Course by Captain Smith are so absolutely sure that once you have a chance to examine and test out for yourself the wonderful secret tricks, you will find them to be just what you have always wanted, they have allowed me to make you the following offer.
